

Amazikidz holds its first Secondary Schools Chess Competition

Amazikidz held its first secondary schools chess competition on Thursday 11th February 2016, featuring teams from Judd, Tonbridge and Skinners schools with over 50 players across two sections.

The Cup competition included many county and international players and were made up of six players from each of the three schools. The six strong Judd team, featuring Amazikidz players Kiran Shiatis and Alex Thompson, showed their strength in depth and impressively won all eighteen of their games across the three rounds, with Tonbridge second and Skinners third.

Thank you to Mr Myslov from Tonbridge School and Ms Charvat from the Skinners School for organising and bringing their teams and to all the excellent helpers on the day. Finally a big thank you to all the players who proudly represented their schools.
